

The Federal Communications Commission

Dear The Federal Communications Commission,

I only use my tracfone for contact with my invalid mothers emergency call system. I cannot afford to add on any more charges to it.

I do not want to pay more for my telephone service! I urge you to reject a flat fee proposal that would change how contributions are made to the Universal Service Fund. I am concerned that this proposal could make my current service unaffordable.

Sincerely,

Jim Zupanic
